Control Urged For Termites

A two-phase plan of termite control for Redwood City was submitted to the city council Monday night and partially, although tentatively, approved at once.

The council's committee, composed of City Manager C. L. Dimmitt, Councilman Evans A. Fletcher and Realtor Julius W. Smith, proposed a comprehensive program designed (1) to prevent further infestations of the insects and (2) to rid the city of those now here.

Pointing out that "the damage already caused by the subteraneum termite has reached such proportions that some deterrent action is imperative in order to prevent further increase and dissemination of these insects," the committee recommended that the building ordinance be amended "as protective to all new wood frame buildings and a valuable aid in the future control of the termite:

"1. No wood in any building shall be placed closer than 18 inches to the ground.

"2. Cap all foundations below the woodwork by use of a non-corroding metal shield, such as copper or zinc, with the edges projecting at least two inches from the face of the concrete and bent downward at an angle of 45 degrees.

"3. Any cracks or crevices in concrete foundations or walls shall be thoroughly and effectively filled.

"4. Ample ventilation and light shall be provided beneath all buildings.

"5 Proper drainage of the soil beneath and around all structures shall be provided.

"6. All stumps, roots, wood scraps, shoring and refuse wood which is in or on the ground under and around the building, and also all wood forms used in the construction of concrete foundations, walls or floors, shall be removed."

On motion of Councilman James M. Eva, second of Councilman Fletcher, the council voted at once to direct City Atty. Albert Mansfield to prepare the necessary amendments to the building ordinance for submission at the next meeting Feb. 21.

On the other recommendations of the committee, no action was taken. They were:

1. Employment of a man to control and exterminate termites, his work to consist of "systematic inspections of infested areas, watching for swarming termites and locating and destroying colonies, inspection, advice and assistance available to any home or property owner upon request."

2. Equipping of the employe to treat infested areas under houses or structures, the owner to pay actual cost to the city for such service when rendered.

Cost of this phase of the service, it was estimated, would be $4000 the first year, including capital outlay for equipment, and $3000 annually thereafter.

WORLD'S LARGEST BOOK

Twelve feet high and twenty feet wide when opened, this book is part of the novel show which local representatives of Shell Oil Company will see at the company's silver jubilee "Shellebration," the annual sales convention which this year celebrates a quarter-century of successful business. The book contains pictures of Shell's 1938 advertising which come to life as the giant pages swing open.

SCHOOL GYM IS ENTERED

BURLINGAME, Feb. 8 — Burglars entered Burlingame High School Girls' Gymnasium through an unlocked door over the week-end, played with the various equipment, broke a window and finally left with a quantity of girls' sporting clothing and materials, police said today.

Frank P. Herm Dies Suddenly

Sudden death, apparently from a heart attack, Tuesday claimed Frank P. Herm of San Francisco, member of the Herm family of 70 Central Ave., Redwood City.

Mr. Herm was found dead in the basement of his home where he had gone to get some firewood.

While in Redwood City, Mr. Herm was famed as a baseball player, playing last on a YMI team before moving to the bay city some eight years ago.

He had served in the World War in the navy, then continued in the service for some time. In San Francisco he was employed at the Schlage Lock Co.

Mr. Herm is survived by his wife, Margaret, who had just returned to her home following an operation; by his daughter, Margaret; by his mother, Mary Herm of Redwood City, and by the following brothers and sisters, all of Redwood City: William, Joseph, Carl, John and George Herm and Mrs. Clara Oakman.

He was a native of Redwood City.

McQUEEN HONORED

BURLINGAME, Feb. 8—Appointment was announced today of George McQueen, general manager of the Burlingame Advance, as a director of the Burlingame Chamber of Commerce, succeeding James S. Cantlen, telephone firm manager who has been transferred to Stockton. McQueen, former Redwood City man, was elected unanimously by other directors.

Small Users Share Saving

Redwood City gas rates will be cut 11.1 per cent in the $2,000,000 annual reduction in rate schedules of the Pacific Gas & Electric Co. and San Joaquin Light & Power Corp., announced Monday by Pres. Wallace L. Ware of the California Railroad Commission.

The reduction becomes effective Mar. 1, and is larger in the Redwood City area than in the average California community, it was revealed.

In San Jose the reduction is 9 per cent. The reduction will not apply by direct order to Palo Alto, where the city has its own distributing plant, nor to any of the cities where artificial gas is still used: Red Bluff, Redding, Chico, Marysville, Eureka and Oroville.

Details of the new schedule will be announced soon, Ware said, and pointed out that the commission has endeavored to aid the small home resident. The average usage varies from 3000 to 4000 cubic feet a month. Gas rates are fixed according to usage. Under the new rates, the first 3000 cubic feet of gas will be at a rate materially lower than was previously charged under the old rates for the first 4000 Cublic feet a month. Under the new rates usage over 3000 feet is at even lower charges.

In November, 1933, the commission ordered P. G. & E. to make a $2,100,000 cut in gas rates and the company refused. The case went to the courts while $6,000,000 was impounded to be returned to customers, if in the end, P. G. & E. should lose. In May, 1936, the company made a voluntary gas rate reduction of $2,500,000 per year. A year ago this month the company cut its electric rates about $2,778,000 a year.

Customer Balks Early Morning Station Holdup

An attempted holdup of Howard Lester, 467 Harrison Ave., Redwood City, attendant at the Standard Oil Company station at University Ave. and El Camino Real, Palo Alto, early Sunday morning was frustrated by the unexpected appearance of a patron.

Two men of swarthy complexion drove up to the station in an old car at 3:10 a.m. and asked for a gallon of gasoline. After serving them, Lester approached the driver to find out if he wanted oil, whereupon the latter's companion pointed a .38 caliber gun at Lester and directed him to get the money from the cash box, according to the story told police.

As Lester was returning with the money, Perry Brauner of San Francisco drove up for gasoline. The highwaymen departed without waiting for the loot.

In serving the gas, Lester said, he noticed that the bandits' car had no rear license plate.

Criminal Cases Here Meet Week's Delay

Benjamin Dance, charged with negligent homicide as the result of a sanguinary San Mateo accident Dec. 19 in which the body of George Noble, 36, Negro, was dragged half a mile, pleaded not guilty in Dept. 1 superior court Monday afternoon. The case was continued a week to set trial.

A. S. Stansbery, charged with a morals offense in Daly City, also pleaded not guilty and the case was continued a week to set trial.

On motion by his attorney, James O'Keefe Jr., C. W. Hoffman's arraignment on check charges was continued one week.

English is estimated to be spoken by 274,995,000 persons.

Friendly Acres Asks for Water

What should be the city's policy regarding extending services normally enjoyed by residents inside the city limits, to those in nearby tracts or communities?

That was the question facing a city council committee today, following consideration of a request Monday from E. J. Smith, representing the Friendly Acres Improvement Club, that the city supply water to the district, located adjacent to the city limits just south of town on the Bayshore Hwy.

Smith, explaining that there were now 80 families in the tract and that more were in sight, said that at present water is being served by the Bayshore Water Company, with main offices in Bayshore City, at what he termed excessive rates —40 cents a hundred cubic feet for the first 500; 35 cents for additional.

He asked that the city buy out the system, then supply the area with water as it has done for Emerald Lake and the Johnson Tract.

Mayor McCarthy explained that both of those systems had been acquired for little or nothing, and that he doubted if the council would care to purchase a system. Manager Dimmitt said he would recommend against purchase, although the area could easily be served by the municipal system if the lines could be acquired without cost.

As a result of the discussion, it was agreed that the council should form a definite, fixed policy regarding extending to outside areas, which pay no city taxes, services paid for by citizens, such as water service, fire and police protection.

The police department report for January showing 37 arrests and 72 traffic citations was filed.

Mayor McCarthy appointed Manager Dimmitt and Councilmen Eva, Christensen and Jones to give study to the problem and bring in a recommendation. Councilman Eva is chairman of the committee.

Accompanying Smith to the meeting were T. Peterson, club vice president; Irvine Friend and Roy Shaffer.

RALPH C. R. MORSER NEW PORT COMMISSIONER

Ralph C. R. Morser, 37 Avondale, Redwood City, engineer associated with former County Surveyor George Kneese, was named by City Manager Dimmitt to be a member of the Redwood City Board of Port Commissioners, and approved unanimously by the council. Morser succeeds the late E. B. Hinman.

DEFAULTED BOND PROPERTY AVAILABLE BY JULY

Lots taken in by the city for delinquent taxes and defaulted bonds will not be available for sale now until in July, City Attorney Mansfield told the council after recommending amendment of the city ordinance covering tax sales. An amendment to the ordinance was introduced, on motion of Councilman Fletcher, second of McNulty.

It had originally been though by the council that the lots could be put on public sale long before this time, but unexpected legal technicalities and conflicts with present ordinances have necessitated study of the problem, with the decision being reached to amend the ordinance.

★ ★ ★

CITY BILLBOARD POLICY PUT UP TO PLANNERS

Request of E. M. McGlade on behalf of the West Coast Advertising Company, San Francisco that permission be given for erection of five "advertising panels" or billboards was referred to the city manager and planning commission for recommendation. The billboards, space on which is rented to accounts of the advertising firm would be located at: (1) Main and Bradford Sts.; (2) El Camino Real near Pine St.; (3) Madison St. and El Camino Real; (4) Main St. between Beech and Cedar; (5) El Camino Real between James and Montgomery.

OTHER BUSINESS BEFORE COUNCIL

Endorsements to the current clean up and tree planting campaigns were given by letter by the Redwood City Lions Club and Corp. James Lindsay Wilson Post 2310, Veterans of Foreign Wars.

In addition, the Lions Club asked what had happened to the 210 redwood trees donated to the city for Bayshore Hwy. planting. City Manager Dimmitt explained that the trees were being cared for but that they needed to grow another year in pots before being planted.

The veterans sent another letter urging consideration for making the Harbor Festival an annual event, but discussion was laid over until another meeting.

The council's parking committee agreed to meet next Monday with the planning commission in an effort to determine a policy.

Inability of City Attorney Mansfield to arrange a satisfactory contract as yet with P. G. & E. officials caused postponement of the granting of a franchise for another fortnight. Mansfield reported serious illness of his wife had caused him to postpone part of his work.

The council referred to Manager Dimmitt the suggestion of Councilman Eva that a WPA project be applied for to have city ordinances codified and indexed.

Request of Councilman Fletcher that an ordinance adopted in 1909 fixing city licenses on pool tables and bowling alleys at $3 each a quarter be repealed outright was opposed by the council, but it directed Attorney Mansfield to bring in amendments fixing the tax at $1 and otherwise modernizing the ordinance.

Suggestion of Fletcher that policemen be provided with a shelter at El Camino Real and Broadway for use when they operate the light signals manually was laid over to another meeting for further consideration.

At suggestion of Fletcher, Tax Collector Nelle Miramontes was asked to confer with county officials on means to have put on tax rolls property owned by non-veterans on which mortgages are held by the Veterans' Welfare Board.

Suggestion that steps be taken to cut out mistletoe from oak trees on city property before the trees die from the fungus was referred to Park Supt. Roger Walsh.

'KID GALLAHAD' IN NEW PICTURE

Wayne Morris, pugilistic co-star of Bette Davis in "Kid Galahad," appears in "The Kid Comes Back" on the two-feature program headed by "Mannequin," Joan Crawford's best picture in five years. Both pictures play at the Fox Sequoia Theater this Sunday, Monday and Tuesday.

Historians To Hear Sutter Fort Curator

Harry C. Peterson, curator at Sutter's Fort, Sacramento, will be speaker at the next meeting of the San Mateo County Historical Association at Menlo Park School at 8 p.m. Thursday, Feb. 24. An authority on state history and formerly with Stanford Museum, he will give an illustrated lecture on the history of Southern San Mateo County.

At the Mar. 10 meeting of the group, speaker will be Mrs. Mildred Burke Hoover, on "Historic Spots of California." This meeting will be at Pescadero.

Judge Quits Murder Case

SAN JOSE, Feb. 8—Comments by Judge William F. James after the shooting of Bernardo Soliz last December in the Superior Court led the jurist to disqualify himself from the trial of Mrs. Nellie Delgado of Belmont yesterday.

Mrs. Delgado's trial by jury will be heard Monday by Judge R. R. Syer.

Mrs. Delgado is accused of handing to her brother-in-law, Frank Delgado, the pistol with which he slew Soliz in the courtroom at the conclusion of Soliz' trial for the murder of Cirilo Delgado, Belmont section hand, last October.

Following Mrs. Delgado's arrest, Judge James petitioned the board of prison terms and paroles to parole Frank Ripley, sentenced to Folsom in 1935 on testimony of Mrs. Delgado.

"It was the word of an ex-convict against that of an apparently respectable, matronly-appearing housewife with two children," said Judge James at that time. "My choice was wrong."

Sullivan Kin Gain Title to County Land

Judge Warren V. Tryon has given judgment for the plaintiffs in the friendly suit filed by the children of Jeremiah F. Sullivan Sr. against the executors of their father's estate. The decision cleared title to six acres of land near the agricultural pavilion in Bayshore City.

Each of the five children was given a one-fifteenth interest in the property. One-third went to Theodore J. Roche, and another third to the estate of the late Matthew I. Sullivan.

According to the complaint, the land was originally purchased by the two Sullivans and Roche as co-partners of the law firm Sullivan, Sullivan & Roche.

Serfdom had entirely disappeared from Great Britain by the end of the 15th century.

Many Expected At Police Ball

Peninsula Peace Officers Association will be host to hundreds of peninsulans at its 16th annual ball Saturday night at the municipal auditorium in San Jose.

The association comprises police departments from Daly City to San Jose. Purpose of the dance is to raise funds for the widows' and orphans' fund.

A record crowd is anticipated, according to Tom Kane, head of the ticket-selling committee. The advance sale has been gratifying, he states. Ticket headquarters is in the Stafford Building, Redwood City.

Old Proverbs Used In New Coffee Ads

The large space Hills Bros. coffee advertising campaign for the spring of 1938 will get under way in the Tribune and in approximately 400 other newspapers between the Pacific Coast and Chicago during the first week of February.

The campaign, celebrating "Sixty Years of Coffee Quality," has as its theme a series of old, well-known proverbs—terse, pithy phrases that express the wisdom of the ages.

"These proverbs," says Hills Bros., "seem to us to suggest Hills Bros. coffee for they are the very maxims to which the founders of the business subscribed. They expressed then, and they express today, the principles on which the business of Hills Bros. stands."

Typical of the series of advertisements is one which reads: "The horse is not judged in the middle." (An old proverb.) "Experts who choose the coffee for Hills Bros. never are swayed by an enticing 'saddle'—a fetching price, or a fancy-looking bean. They are interested in cup quality only—quality that meets the rigorous tests of long trained tasters. Is it up to Hills Bros. standard? Will it produce the rich, delicious, unvarying flavor that users of Hill Bros. coffee expect? For 60 years these judges have never disappointed the drinkers of Hills Bros. coffee."

Forceful illustrations, picturing the proverbs for the entire series of advertisements in this campaign, were made by seven nationally known artists.

Highway Liquor Sale License Is Opposed

Expressing the belief that "there are already too many places selling liquor on El Camino Real in that vicinity," the city council by motion agreed unanimously Monday night to oppose issuance of a liquor license to Martin Wynne, 2321 El Camino Real, who proposed to operate the "2321 Club."

The protest will be directed to the State Board of Equalization. The premises now are vacant, but formerly were occupied by Jack Doyle, Police Chief C. L. Collins reported.

Maker of the motion to oppose the permit was Councilman James M. Eva. Evans A. Fletcher seconded it.

Hazing was abolished at West Point in 1901.

COAST TO COAST MOBILOIL RECORD WITH 1938 PONTIAC

Motor of Pontiac, driven from coast to coast without addition of Mobiloil, is sealed by Charles F. Fuller, weights and measures official, who is shown in center of group. From left to right, those in picture are: W. D. Ellison, division lubricants engineer and E. C. Nelson, industrial salesman, both of General Petroleum Corporation; Mr. Fuller; Frank J. Berka, assistant sealer; Ted Ellis, who drove Pontiac 6505 miles across continent in Winter torture test.

MENLO PARK NEWS NOTES

Rev. Ralph Smith, pastor of Trinity Episcopal Church for 28 years, will retire Mar. 1. He may make his home in Los Altos.

Rev. Smith has been a zealous pastor, devoting his entire time and energies to his work. He arrived at the retirement age some time ago, but continued with his duties.

He was popular not only with members of his church but with all citizens of the community. He will carry with him in his retirement the best wishes of the people of Menlo Park.

Although the city election is two months off there is much talk concerning prospective candidates that have made known their intentions to run.

The terms of Councilmen Cooper, Carroll and Dunn expire, and it is believed they will not seek re-election, thus giving an open field for a number of aspirants.

There is a certain group that will combine to secure control of the board—a solid three as it were. Many prominent names have been mentioned but it is too early to mention them.

On the evening of Feb. 24 the San Mateo County Historical Association will hold a meeting in Central School. Purpose of the meeting is to stimulate interest in local history, particularly in the early days of Menlo Park, Atherton and Ravenswood.

Harry Petersen, former curator of Stanford University Museum, will give an illustrated lecture on the lives of the Stanford family. The public is invited.

The ritualistic degree team of 26th District American Legion Auxiliary assisted Menlo Park auxiliary unit in initiating six new members Tuesday night. Refreshments were served by Mildred McClure and her committee, after which community singing and a social evening were held.

A large pine tree fell from the Kuck property across the railroad tracks Wednesday morning. Luckily section men were nearby and soon removed the obstruction that might have cause some delay in train service had it not been removed when it was.

W. H. Weeden, NSGW publicity chairman, has received a communication from Grand Sec. John Regan urging local members of the Native Sons and their friends to attend the dedication of a building and monument in connection with the mining exhibits building on Treasure Island. The event will be held Sunday at 2 p.m. Grand officers of the NSGW will conduct the dedication ceremonies.

Monday evening in the Church of the Nativity Miss Adeline Laurence of Mountain View was united in marriage to Lawrence Borba of Menlo Park. Rev. Thomas McKeon officiated. A large number of friends witnessed the ceremony.

Native Daughters of the Golden West will give a card party at Central School on the highway next Thursday night. Members of the parlor are expecting a large number of card fans for the evening.

During the recent storm and the filling up of San Francisquito Creek there has been a large run of salmon upstream to the headwaters. It is said poachers have gotten quite a few.

The storm caused considerable damage in the community. Numerous trees were blown down, including oaks that had with tood the storms for years. Pine and cypress were easy marks for the severe winds.

LEGALS

K. R. McDougall, Atty.
ORDER TO SHOW CAUSE
No. 28002

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA. IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Application of ENRICO MOLINAROLI, also known as HENRICO MOLINAROLI, also known as E. Democratic Club Planning Part In County Campaign

The San Mateo County Democratic Club Inc., composed of members of the Democratic party throughout the Peninsula, will take an active part not only in state but in county elections this year, City Councilman Evans A. Fletcher reported here today as the result of a meeting in Daly City Tuesday night.

Although the meeting, attended by some 50 persons, was devoted mainly to a discussion of the gubernatorial candidacy of Culbert L. Olson, consideration was given to the county election, Fletcher said.

"The club decided to look into the record of every candidate," he explained. "We are fed up on promises. We are determined to take an active interest in the coming campaigns, examine the record of candidates, and even possibly give indorsements."

Meetings of the club will be held in various cities throughout the county prior to the elections, with the next session scheduled for Redwood City, probably March 8.

Speaker for Olson last night was Atty. Francis N. Foley of San Mateo.

While the club did not indorse Olson's candidacy, members appeared favorable to the state senator, Fletcher said.

The club has been organized six years. Bradley Smith of Millbrae is president.

Council Makes Election Plans

MENLO PARK, Feb. 9—In compliance with a State Department of Public Health recommendation, the Menlo Park City Council moved last night to abate an asserted nuisance at the Peninsula Bag Company's plant, Middle Ave. and Arbor Rd.

Insanitary conditions exist at the plant, where the reclamation of second-hand sacks is carried on, the state health department advised Dr. R. J. Gerlough, city health officer. Investigation disclosed that the reclaiming process creates dust and foul odors which offend residents of the area, the state department said.

City Attorney James T. O'Keefe Jr. was ordered to instruct the plant owner, Elias Enten, to eliminate the offense or stand liable for prosecution under the city's nuisance ordinance.

The council also authorized Dr. Gerlough to notify Ernest Ball that alleged insanitary conditions existing at his premises on Alice Lane must be rectified "within two weeks."

By resolution the council terminated a public hearing and investigation of projected central district street improvements centering around Crane St. and University Dr. Since insufficient protests were received to halt proceedings, City Engineer Bert J. Mehl was requested to prepare complete plans and specifications in order that the council may draft a resolution of intention to advertise for bids on the proposed $25,000 curb sidewalk, and street surface construction.

Mrs. Fannie I. Kurtz was requested to consult the city attorney and present a plan to consolidate the community's seven voting precincts into two for the April city election. The council ordered that the two polling places be situated in the Fremont School and the city hall. Election boards will probably be chosen at the next regular meeting of the council, Mayor J. E. Cooper said.

France formally recognized the upper Nile Valley as a sphere of British influence in 1899.

Women Find Way To Take Off Fat

Thousands of women are taking off Fat . . . without diet or exercise without affecting their health . . . with LAXRID the fat-reducing treatment. It is removing fat from them just as it did from Lawrence Mack when he lost 123 pounds in 12 months while taking it and was featured in "Believe It or Not" by Ripley. Women find LAXRID is absolutely safe to take. It does not contain Phenol, Thyroid or Dinitrophenol in any form. All ingredients in LAXRID have been used by physicians for 50 years. We guarantee that it is entirely free from any poisonous or harmful substances. Try it today on our money-back guarantee as you can't lose. Get LAXRID today from your druggist. Sold exclusively by Musso Drug Co., Redwood City.

Train Decapitates Man at San Mateo

SAN MATEO, Feb. 9—Speeding wheels of the San Francisco-bound Daylight Limited snuffed out the life of Michael Flaherty, 60, San Mateo, last night.

Flaherty, walking along the Southern Pacific's tracks, apparently did not hear the train. His decapitated body was found approximately 450 feet south of 9th Ave.

Mr. Flaherty was a native of San Mateo and a member of a pioneer county family. He has been employed by the Pacific Gas and Electric Company, but was retired. He was the brother of the late congressman Lawrence Flaherty of San Francisco.

Redwood City Youth Held for Bad Checks

Harold Thompson, 18, 1123 Clinsuperior court Tuesday on bad superior court yesterday on bad check charges after a preliminary hearing before Judge Edward I. McAuliffe.

Thompson is charged with cashing a $15 forged check on an establishment at Five Points Jan. 5. He is also charged with taking a car from a Burlingame used car lot Jan. 9.

According to Dep. Dist. Atty. Louis B. Dematteis, young Thompson was admitted to probation in San Francisco Dec. 24 on another check charge.

St. Vitus dance, or chorea, is twice as frequent in girls as in boys.

CHINESE HERBS

Herbs sold at $1.00 per package. One package is intended to make one large cup of tea (8 ounces) for internal use. Then, if you are satisfied, you can continue the herb treatment, buying additional packages, if needed. If it is inconvenient for you to boil the tea, we will boil it for you.

RELIEVE SUFFERING

No matter what your affliction is, whether of the Lungs, Liver, Stomach, Heart, Kidneys, Bladder; or if you are afflicted with Indigestion, Asthma, Catarrh, Anemia, Rheumatism, Arthritis, Chronic Cough, Constipation, Diabetes, Headaches, Dizziness, Skin Diseases, Stomach Ulcers, Piles, Hemorrhoids, Female Trouble, or any known complaint, come and be made well again by the herbs God put into the ground for the very purpose of healing mankind.

Drive Starts Birthday Week

Twenty-four volunteer solicitors under Kenneth W. Van Gundy Monday started the 1938 Boy Scout budget campaign, last financial drive to be conducted separately by the Boy Scout organization.

Next year, Van Gundy points out, the needs of the scouts will be handled by the Redwood City Community Chest.

With a quota of $2600 for the southern end of the county, Van Gundy hopes to complete the campaign within a week or 10 days and hand cash and pledges for the full amount to the Boy Scout Council.

"If we can raise our quota," Van Gundy points out, "the scout council has assured us that J. Franklin Reid, scout field executive, will spend most of his time in the south county area this year. If we fail, he will have to spend much of his time elsewhere."

Start of the drive comes with the opening of Boy Scout Week in observance of the organization's 28th anniversary.

Changes in Charter Ready for Approval

County Clerk William Augustus today made preparations for formal presentation of the 1937 amendments to the San Mateo County Charter to the legislature, which is scheduled to convene in special session next month.

Augustus presented a resolution to be signed by Board Chairman H. H. Smith, together with copies of the charter as amended, for submission to the legislators.

Meanwhile Governor Merriam banned controversial labor questions from the special session, indicating that it will be limited to legislation to protect the state oil pool at Wilmington, and to pass laws to enable cities and counties to take advantage of the federal housing law.

There appeared a definite possibility that no special session would be called if the governor could negotiate a compromise between opposing oil groups in Southern California.

Chief obstacles to the special session appeared to be inability to draft an oil law satisfactory to either side of the controversy, and fears that the Democratic-controlled assembly might make campaign ammunition from the session by introducing resolutions designed to embarrass the governor.

The San Mateo County Charter amendments make the offices of executive, engineer, coroner-administrator, tax collector, recorder, and treasurer elective instead of appointive, and if certified by a special session, would change the entire complexion of the 1938 county elections.

Governor Fails To Stop Captain Chasing Speeders

Nagasaki Masanoba, wealthy Salinas lettuce grower, was fined $25 in Judge Gus B. Risso's court at Burlingame on Wednesday on reckless driving charges filed by Capt. Paul Perussina of the State Highway Patrol.

Captain Perussina told a dramatic story of a long chase from Burlingame to South San Francisco. Masanoba stopped only when Perussina, hanging perilously to the running board of a commandeered car, drew his service revolver and threatened to shoot the tires of Masanoba's car.

Handicapped by the governor on his state patrol car, which limits speed to 50 miles an hour, Captain Perussina commandeered a passing car and pursued Masanoba at 75 miles an hour, he said.

Perussina, reported under investigation by the State Highway Patrol for some unexplained reason, recently had speed of his car limited because of his having been in several accidents. The patrol, it was explained, desired to have Perussina devote his time to supervision, and "lay off" the speeders.

Bayshore Lighting Program Advances

Date when the new lighting system on Bayshore Hwy. from the San Francisco County line south will be turned on will be announced this week, according to Assemblyman Harrison W. Call.

He revealed that the cement foundations for the standards for the sodium lights have been installed.

"This experiment may determine the advisability of lighting the entire highway," Call said. "The lights are being installed on the most dangerous section of the Bayshore, and if accidents are reduced, the merit of my contentions for a lighted highway will be proved."

He pointed out that while only a fourth of highway travel is at night, three-quarters of the accidents occur between sunset and sunrise.

Water Profits Seen As Tax Cutting Aid

BURLINGAME, Feb. 8 — Prospects that the tax rate for the City of Burlingame would be cut 10 or 20 cents were seen today as city officials pointed out that the water department is saving more than $10,000 a year through its new contract to take all its water from the San Francisco Water Department's Hetch Hetchy system.

Palo Alto Family Safe in Snow Area

Jack Dymond, 35, Palo Alto contractor, reached home Sunday to tell of a 35-mile trek, more than half of it on skis or snow shoes, to escape from his snowbound cabin above Oroville.

Dymond said his wife remained at the well-stocked cabin at the mine, but that his daughter, Betty, 17, who started with him, became exhausted. He left her at Camp 18 of the Sutter River Lumber Co., six miles from the mine.

Joseph Pulitzer, American editor and newspaper publisher, was born in Mako, Hungary, in 1847. He died in 1911.

Australia has been settled for only 150 years.

Retired Army Man Dies at Atherton

ATHERTON, Feb. 7—Following a brief illness, Capt. David Stewart, U. S. Army retired, died this morning at his home at the Middlefield Rd.-Fair Oaks Lane intersection. He had been in poor health.

Hendricks Sentence Delayed Till Friday

W. W. Hendricks Jr., Redwood City youth convicted of negligent homicide, will be sentenced at 10 a.m. Friday by Judge Warren V. Tryon.

Rice, wheat and millets are the three greatest food crops of China.

Week's Illness Fatal To Miss Eva Gilbert

Miss Eva Gilbert, sister of Mrs. A. Fraser of Redwood City and Mrs. A. Green of Oakland, passed away Monday following a week's illness with pneumonia.

There are more than 250 species of violets.

Car License Returns Gain 10 Per Cent

Redwood City office of the California State Highway Patrol collected $94,960.07 in 1938 automobile license fees and taxes, according to a final report. Last day for renewals without penalty was Feb. 4, and the office issued 11,334 pairs of plates before the deadline.

Sequoia Adds New Courses

Planning to feature an all-request program at this year's annual Sequoia High School band concert, Max Gelber, director of the musical organization, today issued a call for requests from persons in the community.

All selections suggested will be given consideration, Gelber declared. To each of those whose suggestions are placed on the program will be given five free tickets to the concert.

Suggestions for a title and theme to replace the hackneyed phrase, "band concert," are also being sought by Gelber and for the winning suggestion five tickets will be given also. In case of duplications, tickets will be given to the first person submitting the suggestion, Gelber said.

Requests and suggestions may be submitted to Gelber by postal card or by telephoning him at the high school. All entries must be in by March 1.

"Any other suggestions for arranging or staging the program will be welcomed," Gelber declared in pointing out that he wanted to make the program something more than a formal band concert.

DRIVING, SHEET METAL COURSES OFFERED

Two more new courses are being added to the curriculum at Sequoia High School for the semester which has just opened, it was announced here by Principal A. C. Argo.

To meet the demand for instruction in sheet metal work occasioned by the increased enrollment, a new class has been organized, with Robert Poole as instructor. The course in electric shop formerly taught by Poole will be handled by Burle Clifton Laton, new part-time teacher this semester.

The other new course will be an elective one in safe driving, with John Way of Stanford University as instructor. Topics to be covered include the importance of the automobile in modern life, how the automobile works, how automobiles are made, how to get the most per dollar and how to drive expertly and co-operatively. Practical experience in driving will be featured towards the end of the course.

Way, who is studying for a master's degree at Stanford, has been making a study of such courses being conducted at various schools throughout the United States and is writing his master's thesis on this topic.

JUDGES, WELFARE BOARD MEMBERS SEATED

Ted Andrews and Sam Bettes were installed Wednesday as judges on the Sequoia High School Student Court, and eight other junior boys were inducted to serve on the school's board of welfare for the remainder of this school year and the first half of next year, replacing those whose terms have expired.

Andrews and Bettes succeed Jack Farrell and William Royer. Continuing on the court, student disciplinary organization, for another semester will be George Bloxham, Jack Mayer and Charles Sturz.

New members of the board of welfare are Severino Celotti, Jerry Foster, James Mastoris, Phil Nell, Robert Quilfelt, Larry Simonini, Gail Sterling and Ward Walkup. They succeed Harry Ayers, Mason Hartwell, Cleveland Holt, Allen Isaksen, Russell Reiserer, Ted Andrews, Alvin Storch and Mitchell Webber, who had served as chairman.

Continuing on the board for one more semester will be James Argo, Walter Clark, Ted Cole, Jack Eldridge, Allen Gherini, Caesar Gomez and William Jenkins.

Vice Principal Donald L. Bogie, who has for the past semester had charge of the board of welfare, will act as adviser for the court this semester, while Frank Griffin, who has been court adviser, will take charge of the board of welfare.

New freshmen boys at Sequoia were entertained by the newly installed judges and board members after the induction, and functions and workings of the two groups were explained for the newcomers.

Fensel Back, Nears End of Work Here

A. C. Fensel, accounting expert for the California Taxpayers' Association, returned to his desk at the courthouse Monday and expects to remain in Redwood City for the balance of the month.

Fensel, who lived in Burlingame for four years prior to moving to Los Angeles three years ago, expects to spend most of the summer in San Mateo County.

"My family has spent each summer in San Mateo County since we moved south three years ago," he said. "We have purchased a new summer home on King's Mountain."

Wife, Son Willed Coastsider's Estate

Horace A. Nelson, Coastside civic leader, rancher, banker and school trustee who died at the age of 80 Jan. 17, left a will which sets up a life estate for his widow and son, according to the petition for letters of administration on file in the superior court.

The will, dated Mar. 13, 1935, puts the bulk of the estate in trust, income from which goes to Mrs. Florinda A. Nelson during her life, and at her death, to H. Locke Nelson, the son.

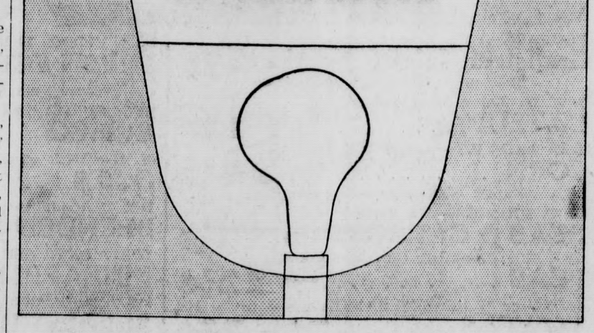
WE'VE QUIT GAMBLING (with Eyesight)

IN OUR HOUSE



A SAFE and sure guide to correct lighting in your home—that leaves nothing to chance—are lamps that bear the I. E. S. tag of Better Light for Better Sight. With such lamps, properly placed in your home, there is no gambling with the precious eyesight of your family.

Here is what these modern lamps give you: (1) Enough light to make seeing easier . . . (2) Freedom from glare, to relieve eyestrain . . . (3) Softly diffused light that is cheerful and beautiful . . . (4) Widely spread light, that gives you light where you need it . . . (5) Direct and Indirect light, in proper proportions to reduce eyestrain.

Come in and let us demonstrate these marvelous lamps for you. See the many attractive models. Prices for all styles are very moderate.

A Three Days' Cough Is Your Danger Signal

No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

NOTICE OF HEARING ON PETITION TO LEASE REAL PROPERTY
No. 7777

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of SCOTT F. ENNIS, sometimes known as SCOTT FREEMAN ENNIS, also sometimes known as SCOTT ENNIS, and also sometimes known as SCOTT FREEMAN PAUL ENNIS, Deceased.

THE BANK OF CALIFORNIA, NATIONAL ASSOCIATION, executor of the Estate of Scott F. Ennis, sometimes known as Scott Freeman Ennis, also sometimes known as Scott Ennis, and also sometimes known as Scott Freeman Paul Ennis, deceased, having filed herein its verified petition praying for an order to lease certain real property of said estate in said petition and hereinafter described, and alleging that it will be for the advantage of said estate to lease said real property;

NOTICE IS HEREBY GIVEN to all persons interested in the estate of Scott F. Ennis, sometimes known as Scott Freeman Ennis, also sometimes known as Scott Ennis and also sometimes known as Scott Freeman Paul Ennis, deceased, to appear before the Superior Court in Department number one thereof, at the Courthouse in said County on the 14th day of February, 1938, at 10 o'clock a.m., then and there to show cause, if any they have, why the real estate hereinafter described should not be leased by the executor, The Bank of California, National Association, for the period of eleven months. The compensation for the use and occupancy of said premises shall be on a crop sharing basis upon the terms and conditions mentioned in the lease accompanying and made a part of the petition of said executor on file herein, to which petition reference is made for further particulars.

Said real estate is described as follows:

All that certain real property situate in the County of Fresno, State of California, and more particularly described as follows:

Lots 50 and 51 of Eggers Colony, according to the map thereof recorded January 9 1891, in Plat Book 4 at page 60, in the office of the County Recorder of said County.

Dated: February 2d, 1938.
W. H. AUGUSTUS, Clerk.

ORDER TO SHOW CAUSE ON APPLICATION FOR CHANGE OF NAME
No 28047—Dept. No. 1

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Application of CORNELIUS MEDVECZKY, for Change of Name.

Whereas, Cornelius Medveczky has filed his petition with the Clerk of this Court for an order of this Court changing his name from Cornelius Medveczky to Cornelius Carl Medford:

NOW, THEREFORE, IT IS HEREBY ORDERED that all persons interested in the matter aforesaid appear at Department No. 1 of the said Superior Court at the Courthouse in the City of Redwood City, County of San Mateo, State of California, on Monday, the 14th day of March, 1938, at the hour of 10 o'clock A. M. of said day, and then and there to show cause, if any they may have, why said application for change of name should not be granted.

IT IS FURTHER ORDERED that a copy of this order be published in the Times-Gazette, a newspaper of general circulation published and printed in the City of Redwood City, County of San Mateo, State of California, for four successive weeks next preceding the date set for the hearing thereof.

Dated: February 9, 1938.
MAXWELL McNUTT,
Judge of said Superior Court.
Feb. 11, 18, 25; Mar. 4, 11, 1938.

84 SEQUOIANS GAIN PLACES IN SCHOLARSHIP SOCIETY

On the basis of their scholastic records during the semester just closed, 84 Sequoia High School students have been elected to membership in Sequoia Chapter, California Scholarship Society, it was announced Tuesday by Miss Mary Cowden, adviser.

For the third consecutive time, the sophomore class leads in number, placing 35. The juniors placed 20, seniors 15, and freshmen 14.

Freshmen are Twila Argo, W. J. Dairs, Marjorie Glathe, Florence Gorman, Kathleen Horn, Elizabeth Hubner, Lois Linebarger, Carolyn Mayo, Judy Moore, Betty Lee Parish, Virginia Simpton, John Sisson, Ann Wilson and Margaret Wright.

Sophomores: Ruth Abbott, Alberta Arends, Barbara Boles, Mary Brittain, Geraldine Campbell, Christine Clark, Wheeler Childs, Mae Chuck, Gene De Armond, Lucille Farrell, Isabel Garcia, Morris Gutterman, Sally Holt, Eiko Honda, Elaine Hopwell, Benny Iijima, Lydia Killpack, Patricia Lyon, Ruth Manhart, Nancy Marlow, Carmon Mills, Hughson Mooney, Walter Moore, Felix Morris, Joe Oudin, Jacqueline Plummer, Jean Purrington, Marjorie Terwilliger, Willis Rosser, Jacqueline Saboff, Helen Steele, John Soelling, Ward Walkup, Charles Ward and Rosemarie Withgitt.

Juniors: James Boen, Tom Canning, Esther Colton, Robert Emig, Harrison Fischer, Helen Jean Grey, Mary Louise Hawkins, Betty Hoffman, Patricia Jeffers, Nadine Johnson, Naudine Lumsdon, Howard Melton, Thelma Morton, Ruth Meyers, Miriam Philbrick, Elaine Ramos, Pierino Robbiano, Peggy Seufert, Betty Stowe and Ernest Thorson.

Seniors: Kenneth Beyer, James Canning, Natasha Carney, Vincent Cleveland, John Dusel, Hazel Evans, George Hildebrandt, Kazuo Kariya, Gladys Liddicoat, Dorothy Machell, Betty Martin, Francis Nash, Wilma Pfafflin, Donald Ward, Carolyn White and Dorothy Jean Smith.

June Barnes has been appointed service-point secretary of the Sequoia High School student commissioners to fill a vacancy caused by the resignation of Phyllis Gaines, it was announced today by Leslie Walker, chairman of the commissioners' board.

To gain experience in writing and reading shorthand, students in the Sequoia High School classes taught by Joseph De Brum are carrying on correspondence in shorthand with students in various parts of the United States and in Nome, Alaska.

Three contests have been scheduled for this month by the Sequoia High School Debate Club, which will meet a team from Gallileo High School in San Francisco in a debate here Feb. 15 on the question, "Resolved: That the Extension of Consumer Co-operatives Would Contribute to the Public Welfare." The Sequoians will uphold the affirmative.
